

February 2025-26

Nutri-Serving It Up At

Glassboro School District

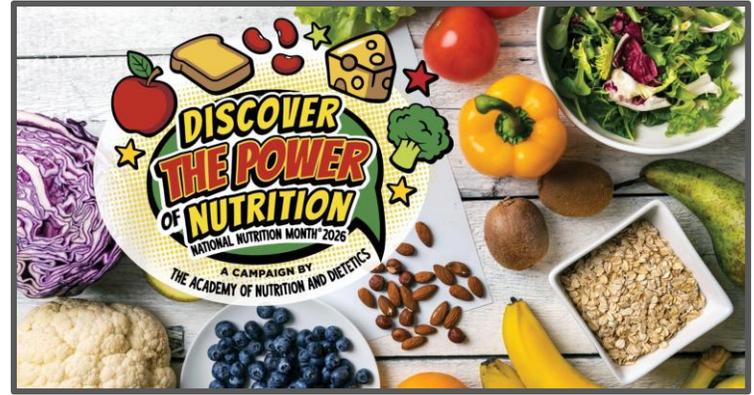

In February, we hosted several catering events, including the Senior Breakfast, the High School District Meeting, and the Board Dinner. I also met with the Bowe School Student Council to gather feedback on cafeteria topics. Additionally, Barbara and Kate from the High School were presented with a plaque in recognition of their support for the Meaningful Work-Based Learning Experiences program. Congratulations and well done, ladies!

A LOOK AHEAD TO MARCH

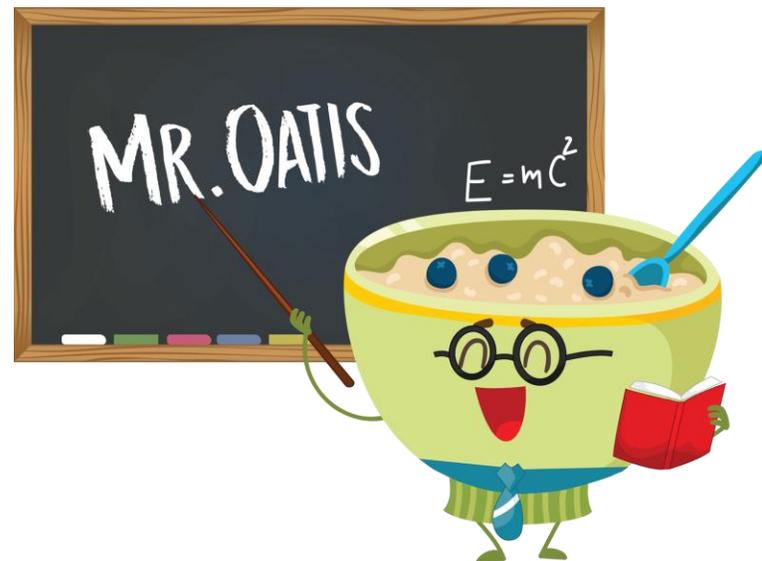

March is National Nutrition Month
Discover the Power of Nutrition

We are celebrating National School Breakfast Week March 2-6th.
This year's theme is
The Quest for School Breakfast!

Did you know?

- Oats are a gluten-free whole grain, and they offer protein, fiber, vitamins and minerals.
- 95% of oats in the USA are used for animal feed and only 5% are eaten by humans
- Oats were once considered a weed
