

GLASSBORO SCHOOL DISTRICT
Monthly Board Items

Updated 3/1/17

Date: 10/30/18 Proposed Effective Date: 12/3/18 Grades Impacted: 7th and 8th

Name: Carol Ceglia Position: Teacher Submitted by: LaVonya Mitchell Building: Intermediate

Cost: \$0 Funded through: Funding Factory Time: 1 hr/week Benefits: (No)

Is candidate currently employed by District? Yes

Board Action Requested: Request the opportunity to run the FundingFactory recycling fundraiser at Intermediate School for the remainder of the 2018 / 2019 school year to benefit the Intermediate Green Team Club.

Details: Ms Ceglia would like to place a designated recycle container in the Intermediate vestibule for students, staff, and the community to deposit used inkjet and toner cartridges. Ms Ceglia would periodically send out information to students, staff, and community, encouraging them to donate their used inkjet and toner cartridges. Then, she will ship the cartridges to FundingFactory. In turn, FundingFactory will compensate Intermediate School 11¢ for most inkjet cartridges and 84¢ for most toner cartridges (prices are approximate). FundingFactory will cut a check to Intermediate School's Green Team.

Ramifications: There should be no difficulties with this program, other than motivating people to donate their used toner and inkjet cartridges.

Positives: Involves students and the community in recycling toner and inkjet printer cartridges, which will result in repurposing them, giving these items a second life. Additionally, we will be providing an easy way to earn money for the Intermediate School Green Team Club.

Concerns: None.

Other Comments: None.
