Dear Michael Sloan:
Glassboro Public Schools
560 Joseph L. Bowe Boulevard
Glassboro, NJ 08028

Enclosed are three copies of your 2026-2027 Contract for Participation in Cooperative Transportation Services and a copy of the 2026-2027 Cooperative Transportation Guidelines.

The Gloucester County Special Services School District (GCSSSD) performs a Countywide Cooperative Transportation Routing Service for homeless/public/non-public/special education/vocational transportation needs. GCSSSD receives transportation requests for students who need transportation. Route requests are collected, collated, and bid or quoted combining students from several districts. All necessary paperwork is initiated by GCSSSD; and, in fact, the signing of the attached contract eliminates individual joint agreements.

GCSSSD's administrative fee for 2026-2027 will remain the same
as it has been for the last 31 years:

Seven percent (7%) of a district's portion of each cooperative route for **special education, vocational, public, and homeless students.**

Four percent (4%) of a district's portion for each cooperative route for **nonpublic students.**

Please present the enclosed contract to your Board for approval. Sign each copy (**original signatures required**), **affix your Board seal**, and return all three copies to GCSSSD by **May 29, 2026**. In addition, we will need a **certified copy of your Board Meeting minutes** showing the approval of the Participation Agreement with us. Once the County Superintendent has approved the contract, a fully executed copy will be returned to you.

We look forward to serving your district in the 2026-2027 school year.

Sincerely,

Alyssa Valori
