**Board Action Requested:** I am requesting the board's permission to implement a procedure and policy change to Bulldog Block, formerly known as Unit Lunch, as it pertains to the discipline code. After Spring Break each student will receive a Green All Access pass for Bulldog Block allowing them to dine in any of the approved areas. If a student has a disciplinary infraction during Bulldog Block they will suffer that consequence, an additional (10) day lunch detention penalty in Room B105, and they will lose their All Access pass and the privilege of moving around during lunch. The green All Access pass will be replaced by a red Restriction lunch pass and those students will be required to dine and then stay in the 11/12 cafeteria for (30) days.

**Details and ramifications:**

Restricted students will be listed on the daily school notes that are e-mailed to all staff.

**Positives:**

The vast majority of students have flourished in this schedule and have used the extra time to do some great things like get extra help in their classes, prepare for games and competitions, and meet with their teachers and counselors.

**Concerns:**

A few students have had disciplinary issues during this time period and for that reason we are instituting a pass system that will still allow access for all students unless they have disciplinary issues that occur during the Bulldog Block. Monitoring the green passes with a limited staff may be difficult.
