**Board Action Requested:**  
Seeking Board of Education approval to create and administer a Glassboro High School Facebook page.

**Details and ramifications:**  
Dr. Sneathen will administer the page. Mr. Weeks will also be an administrator on the page.

**Positives:**  
The positive things happening at Glassboro High School will be able to be shared with the community in real time at no cost to the school or district. Many parents and community members already have Facebook pages that they check on a regular basis so it would serve as an excellent medium to share information about school closings, calendar information, and event reminders.

**Concerns:**  
Page will be informational only. Community members will not be permitted to post comments/messages to the page.

**Other Comments:**  
Many other area schools have a social media presence and have had great success.
