**Board Action Requested: I am seeking board approval to eliminate the second Back to School Night at Glassboro High School.**

### Details and ramifications:

Teachers can meet the parents and introduce their classes for both the first and second semester during the Fall Back to School Night. The evening will last the same amount of time. Each class will meet for a shorter amount of time.

### Positives:

The Fall Back to School Night has traditionally been the more heavily attended event so more parents will gain an overview of their student's courses.  
There will no longer be a need to pay a stipend or issue comp time to teachers for attending a second Back to School Night as per the GEA contract.

### Concerns:

Ms. Beebe has assured me in writing that the GEA will not have an issue with this modification if approved.
