Details and ramifications: These coaches have been identified as coaches who have submitted all needed credentials by the district office personnel.

Positives: Coaches with experience bring stability to the program and familiarity with the student body.

Concerns: If coaches do not submit paperwork on time, they will not be permitted to work with the students and our students are punished. Head Coaches have been informed of this and have been given instructions to have their assistants submit required paperwork before July 10th for fall sports, October 1st for winter sports and Jan. 1st for spring sports.
