| If yes, part time or <u>full time</u> (circle one) | Check references/review district personnel file? ___ No ___ Yes |

Board Action Requested:
The GIS Green Team would like to request the ability to hold a community cleanup with social distancing measures in place to receive grant funding in the amount of \$500. The Gloucester County Clean Communities program is offered twice a year and consists of at least 10 participants who will clean up trash and litter in the community for a 3-hour time period on an assigned day.

Details and ramifications:
Mrs. Montana will be leading and supervising students in a cleanup effort on 5/7/22 at a location in the Glassboro Community. The event will run from 9am-12 pm on Saturday 5/7/22 and students will be asked to clean up litter in the town square. Parents will be required to sign a permission slip for their child to participate as well as an insurance waiver.

Positives:
Students will be participating in a community- collaborative effort while at the same time earning funding for the school's Green Team.

Concerns:
None at this time
