Hi all,

I'm sorry, but I'm going to back away as an advisor for the Gay Straight Alliance for now. I'm overwhelmed at school and at home, and I'm not pulling my weight for the group.

I am here to support you and the students as much as I can.

Thank you for understanding,
Kim

Yes, the health room is used for lunch detention every day so it would only be able to be used for the evening meetings, if needed. For some reason I was still in "after school meeting" mode.

The first one was during lunch (so we can hit more kids and then the survey asks if they prefer after school). Since lunch detention is in there during lunch, we'll go with A114 for the initial meeting and then when we have times/dates, we can switch to health room. I'll get the announcement in.

Great points-
Is the first meeting with the kids a lunch or after school meeting?

If not A114 would be fine... I can also do lunch. Does the health room still do lunch detention.
