Board Action Requested:

Recommend approval of Monroe Willis and Lisa Montana as co-advisors for the Girls Basketball Skills Club. The advisors will split the stipend of \$1,136.00 equally (\$568.00) for the 2018-19 school year.

Details and ramifications

The girls' basketball skills club will be conducted in lieu of the girl's middle school basketball team. The club will run from March 4th to April 18th and meet three days per week. Each meeting will be from 2:15 pm to 3:30 pm.

Positives:

Student participation was not large enough to warrant having a team. The skills club will provide the girls an opportunity to learn and practice fundamental basketball skills in preparation for playing on the high school team.

Dr. Silverstein,

I met with Monroe Willis and Carol Ceglia to discuss the girls basketball skills club. We agreed upon a stipend of \$1,136.00. This figure is consistent with a tier level 4 club. I have attached a BOE recommendation with Monroe Willis and Lisa Montana listed as co-advisors. The advisors will split the stipend. My hopes are that Lisa Montana will be inspired to take the head coaching position next year. Please advise me if there is anything else I need to do to make this club happen.

Your in Sports,
Jeff
