### Board Action Requested:

Recommend approval to use Atkinson Park tennis courts for practices and matches during the girl's tennis season of 2018-2019 school year.

### Details and ramifications

I have requested approval to reserve the courts at Atkinson park with Park Director Liz Gibbs. The district must supply certificate of insurance covering the county of Gloucester County.

### Positives:

### Concerns:

The county employees are concerned that we will depend on their courts to run a tennis program in our school district and that other county residents will complain that we are not doing anything to fix our courts.

### Other Comments:

By using the courts at Atkinson Park, the district will incur additional bussing costs.
