Sudden Cardiac Arrest Emergency Action Plan

J. Harvey Rodgers School- Addendum

The following persons in this school have a current certification in CPR/AED from the American Heart Association and are part of the school Medical Emergency Response Team (MERT). As part of this team, they will assist in implementing the components of the Sudden Cardiac Arrest Emergency Action Plan as needed, including “responding to the person experiencing the sudden cardiac event; calling 911; starting cardio-pulmonary resuscitation; retrieving and using the AED; and assisting emergency responders in getting to the individual experiencing the sudden cardiac event”. (from policy 5300).
