Re: Gloucester County Youth Services –Art therapist

The Gloucester County Youth Services program who sponsors our Bulldogs after school tutoring has reached out to T.E. Bowe Middle School, asking if we would be interested again in having an art therapist, Alisha Laws, LCSW, to work with our students. Specifically, she would come once after school in October and do an art project session with students from 2:45-4:00. During this session, the therapist would also be discussing mental health, goals, coping strategies, etc. It is provided to our school at no cost. Mr. Monaco, Bowe's Art teacher, will also be assisting. Permission slips will be signed and returned for students to participate. The link to Ms. Laws' program is <https://allintherapyllc.org/> for more information.
