Chris Esgro, Board President

From: Chuck Baur, Technology Director

Re: Action Item
June 15th, 2023, BOE Meeting

The Technology Department would like to post the following outdated/decommissioned equipment on Gov Deals for auction this summer:

- 1x Cisco Business Edition 5000H Server (retired)
- 2x Dell PowerEdge 2710 Server (retired)
- 6x Cisco 2900 Voice Gateways (retired)
- 35x Cisco 2960x Network Switches (retired)
- 475x Dell 3380 student laptops (retired)
- 800x Dell 3390 staff laptops (retired)
- 125x Dell 5050 staff desktops (retired)
- 30x Dell T3420 staff/lab desktops (retired)

Any tech equipment containing a hard drive will be sanitized (hard drive removed) prior to sale. Any equipment that is not sold at auction will eventually be responsibly recycled.
