Subject: Bowe School Field

Good morning,

I have been approached by Sfc Ian-Michael McGlynn from the USCC West Point Parachute Team, they will be involved with Rowan Universities graduation ceremony on May 6th, they are requesting written permission to use the field behind Bowe school to land their helicopter. If they will be able to can you please have a letter drafted like the one attached to this email. Below is the email.

Good Morning Sir,

Attached you will find an example of what my pilots will need from the school in order to land their helicopter in the athletic fields as we discussed. In addition to what is stated in the memo the school must be aware and make my pilots aware of any ordinances, local laws governing the landing and flying of aircraft, or zoning restrictions that may hinder or prevent them from using that property.

Thank you for your time and coordination on this. If you have any questions please let me know.

Respectfully,
SFC Ian-Michael McGlynn

Re: Helicopter Flight Operations

Glassboro Public Schools hereby grants approval, pursuant to all applicable Federal Aviation Administration (FAA) and Transportation Security Administration (TSA) regulations for the flight operation of a Eurocopter 145 helicopter, Tail Number 72042 as owned and operated by the United States Army.

Glassboro Public Schools grants permission for the use of the Thomas E. Bowe School field for one landing/takeoff to discharge passengers and one landing/takeoff to embark passengers for the Rowan University Commencement Ceremony on May 6, 2018.

Thank you for your consideration.

Sincerely,
