Superintendent Silverstein,

Hello my name is Lt. Ray Giordano from the Glassboro Police Department. I am in charge of our Traffic Safety Unit. I created a traffic safety initiative along with Rowan University Police department. We work together on making the roads safer for pedestrian and vehicle traffic. I recently was approved for another grant, whereas I have money to pay officers to go into the schools to educate students. I just teamed up with Safe Kids New Jersey and the Brain Injury Alliance to get our message out to the students. Attached to this email you will find the curriculum from Safe Kids, which we would like to present to the schools with your permission. Please review the same and let me know how you would like us to proceed.

Regards,

*Lt. Ray Giordano #942*
