- 11/28/2018 GHS School Survey meeting
- 11/30/.2018 Future Ready Certification Team Meeting

George was on vacation Nov 20, 21 & 26.

Work Summary:

- Scheduled wiring check for last clocks and speakers which are not configured. Bullock has 2 clocks with no power, Bowe has 4 units not working and GHS has about 12. Wiring check is schedule for early December.
- Had several demonstrations for software
- Met and attempted to cut over to our new internet provider. During cutover it was discovered that the vendor did not have the correct fiber handoff. Correct interface has been ordered and we are awaiting installation.
- Had training on use of new secured print system. Finalizing installation and configurations of new printers/copiers.
- Began work on technology survey for staff, parents and students. The survey will be distributed the week of 12/3 and remain open until 12/14. A summary of the of the survey will be available for board review in January

NOVEMBER 2018
