

Technology Report

Technology Department Report December 3, 2021 – January 4, 2022 Submitted by Susan Kornicki

Work Summary:

1. Preparation for Fall NJSLA testing – technicians checked student laptops for TestNav link, completed a trial run ahead of testing window in coordination with GHS staff. Test dates moved to Jan. 10 – 14, 2022.
2. Hotspot Take-Home Program for Families – Verizon Wireless Hotspots were inventoried, tagged, and prepared for deployment upon request; a consent form was created and distributed to bldg. Admin and posted on district website. Seven devices have been deployed to families so far.
3. Simulcasting – Holiday Concerts were livestreamed and recorded for all buildings; technicians continue working to provide the best quality livestreaming experience for Board of Ed Meetings.
4. Raptor Implementation – technicians are preparing to install Raptor kiosks in GHS and GIS for visitor badging and security. A meeting is scheduled for 1/13/22 to plan for installation at GHS. GIS installation is pending.
5. Repairs – Parts shortage continues to be an issue; despite supply chain problems, technicians continue to triage broken devices.
6. Wireless Upgrade – Work on configuration of over 300 new access points has begun.
7. Camera Installation – Work on Rodgers and GHS cameras will commence on 1/10/22 coordinated with Helix Group.
8. Collaboration with Pitt Bull – Team is meeting regularly with Pitt Bull consulting to plan budget, create three-year plan, facilitate e-recycling, develop SOPs for various systems, and facilitate inventory distribution for building consolidation.
9. Identifying old equipment eligible to be recycled and or posted on gov deals continues as we rid buildings of old equipment. Plans to identify and inventory technology equipment at GIS school is scheduled.

Inventory:

Users/Bldg	Laptop	Chromebook	Subtotal	Not Ret	Total	Count	Missing
Teaching Staff	215						
Admins	23				25	25	0
