## Technology Department Report

Oct 7<sup>th</sup>, 2022 – Nov 4<sup>th</sup>, 2022

Submitted by Chuck Baur and Susan Kornicki

### Work Summary:

1. Repairs – Parts shortages continue to be an issue however we are slowly getting parts in from Dell for repairs.
2. Preliminary discussions for the Summer 23' computer refresh have begun. Scheduled talks with Dell, Lenovo, and HP have begun.
3. Genetec security camera server upgrade has completed on Oct 7<sup>th</sup>. We continue to work on the Genetec mobile server for access to local police department.
4. We continue to plan and prep for two larger projects which is Phase II of network upgrades and Nutanix virtual server farm replacement. However, we are at the mercy of equipment being delayed due to shortages. We have received some equipment but still waiting for much more.
5. 95 Meraki MR-56 Access Points have been sold on GovDeals for \$95,000
6. Preliminary project plans to relocate GIS cameras to Bowe school to cover blind spots.

### Work Order Statistics – as of 3:45 pm on 11/04/22

Closed Work Orders: 380

Open Work Orders: 97

### Professional Development:

- IT Dept is actively looking for Google Admin training as the district looks towards using Chromebooks K-12.
- Demos of GoGuardian (Classroom Management Software) are scheduled as we look to possible replace Impero.
