## Technology Department Report

March 11<sup>th</sup>, 2024 – April 15<sup>th</sup>, 2024

Submitted by Chuck Baur

### Work Summary:

1. Duo two factor authentication has successfully been implemented to all staff with district issued devices. Custodians, aides, and security personnel will be enrolled in the coming weeks.
2. Successful implementation of restricted color printing for staff reducing district color printing costs.
3. Additional strobes, external speakers, and panic buttons at Bowe school are scheduled for the week of April 15<sup>th</sup>.
4. Panic button functionality to desktop phones is completed and tested at GHS, Bowe, Rodgers, and Bullock schools. Beach and Transportation buildings are next.
5. Preliminary work for replacing all building door intercoms has commenced. Replacing older analog system with new IP based system.
