## Technology Department Report

December 11<sup>th</sup>, 2024 – January 10<sup>th</sup>, 2025

Submitted by Chuck Baur

### Work Summary:

- Re-printing of district IDs has commenced. This is to correct mistakes made by Barksdale with year, color, logo, etc..... We are also adding the SRP on the back of the IDs.
- Onboarding for the district's new website hosting company "Apptegy continues with good progress. District to determine a go live date.
- We continue to work with Singlewire and ZeroEyes to provide full integration into our panic button system with ZeroEyes gun detection software.

### Work Order Statistics – as of 12:30AM on 1/10/25

Closed Work Orders: 152

Open Work Orders: 118
