Technology Department Report

February 8th, 2025 – March 7th, 2025

Submitted by Chuck Baur

Work Summary:

- New staff IDs have been printed and distributed to all district employees.
- Staff training sessions for the district's new website is scheduled for the week of March 10th – 14th. Our go live date is still set for Friday May 2nd.
- Proof of concept with Fortigate has commenced. As we trial their endpoint, firewall, and filtering solution to replace our current Cisco Amp and Barracuda firewall solution.
- Two factor authentication utilizing Cisco Duo tokens will be implemented for all building substitutes, bus drivers, and bus aides beginning March 17th.
- We continue to work with Singlewire and ZeroEyes to provide full integration into our panic button system with ZeroEyes gun detection software.
