Technology Report

_____

Technology Department Report
December 7th, 2025 – January 16th, 2026
Submitted by Chuck Baur

Work Summary:

- Consulted with GHS Leadership Club on using grant monies to purchase a poster printer for students to print campaign posters for SGA/projects/advertising for clubs.
- Facial recognition demonstration of a product called SAFR has been completed. We are awaiting quotes for pricing for a possible pilot at GHS.
- Replaced a panic button at Rodgers school with a newer model.
- Demonstrations and trials helpdesk ticketing, patch management, and imaging platforms have begun as we strive to streamline our processes for better efficiency and cost savings.
