Glassboro Board of Education

Technology Report

Technology Department Report

October 7th – November 9th, 2026

Submitted by Chuck Baur

Work Summary:

- ViewSonic interactive panel pilot is successfully underway with panels deployed in each of the four school buildings as well as two panels at the Rowan Mitcho Center.
- December 7 is the tentative date for ViewSonic interactive panel training for selected staff.
- Technology walkthroughs of JHR and DLB has commenced in preparation for upcoming referendum construction.
- Budget pricing for the upcoming expiring Chromebook lease is underway, trying to lock in competitive pricing for continued anticipated increase in pricing.
