Dear Choice Contacts:

Valarie Smith and I attended the New Jersey State Board of Education Meeting on Wednesday, May 1 to give public comment and testimony on the Interdistrict Choice Program. Attached are copies of our presentations.

We are encouraged by the State Board members' positive interest in the program as we continue to make the case for expansion and increasing enrollment numbers.

As I wrote in my last email, please send the Association your "good news" stories about your choice program, as well as data about waiting lists. All of this helps us advocate for you.
