

Part I: KaBOOM! General Application

Created: 08/29/2018 • Last updated: 09/19/2018

Welcome!

Please note that you must fill out all the required fields to move on to the next page of the application. For a preview of the entire application, check out the [KaBOOM! Grant Application Guide](#).

Let's get this application started!

Has your organization previously received funding from KaBOOM!? No

How did you hear about this opportunity? KaBOOM! website

Contact Information

Primary Contact

Who should we contact for follow-up questions regarding your application?

First Name	Erin
Last Name	Pimpinella
Title	teacher
Email	erin.pimpinella@gmail.com
Phone (123-123-1234)	856-244-6964
Cell Phone	856-366-9826

Secondary Contact

Who should we contact if your primary contact is not available?

First Name	Nicole
Last Name	Currie
Title	PTO
Email	Ncurrie16@yahoo.com
Phone (123-123-1234)	856-803-0836
Cell Phone	856-803-0836

Organizational Information

Name of Organization-Site Name (example: City of Dallas-Love Park)	J. Harvey Rodgers School
Organization's website	www.gpsd.us
Facebook page (example: www.facebook.com/kaboom)	J. Harvey Rodgers PTO
Twitter handle (example: www.twitter.com/kaboom)	none
Mission Statement	Each child brings to school his or her own unique experiences, abilities and needs. We build on each child's strengths, while providing an environment rich with new ideas and experiences designed to encourage growth.
Organization's Address	301 Georgetown Rd
City	Glassboro
State	NJ
Zip Code	08028
County	Gloucester

Who has the legal authority to sign contracts on behalf of your organization?

First Name	Danielle
Last Name	Sochor
Title	acting principal
Email	dsocher@gpsd.us
Phone (123-123-1234)	856-652-2700

Which category describes your organization?

City or Municipal Agency (Public Schools, Public Parks, Other City Agency)

Tax ID Number (EIN)

216000195

This is a 9 digit number. Please **do not** include spaces.

Are you applying as an individual organization or are you partnering with another organization(s)?

Play Everywhere grants can only be awarded to 501(c)3 nonprofit organizations or municipal agencies (Public Schools, Public Parks, Other City Agency). If your organization does not qualify, please identify a partner organization that is a nonprofit organization or a municipal agency.

Community Built-Playground and Creative Play applicants are not required to be or partner with a nonprofit or municipal agency but partnering with one is strongly encouraged.

We are partnering with one or more partner organizations to apply for funding.

Which category describes your partner organization? 501(c)3 Non-Profit Organization

Tax ID Number (EIN) 831947588

This is a 9 digit number. Please **do**
not include spaces.

No

Is your organization or your partner organization(s) religiously affiliated?

KaBOOM! is dedicated to giving all kids the childhood they deserve, filled with balanced and active play. Because play--in all of its forms--is a powerful thing.

About Your Community

Use this section to describe your community and share why it is important for your organization to provide opportunities for play to the children you serve.

Briefly describe your organization's history and the overall scope of your programs and services.

Include a comprehensive list of the programs your organization provides. If your organization offers programs at multiple locations, please only list the programs that you provide at the site where the play area or equipment will be located.

We are the early childhood center located in the Glassboro Public School district. We have just under 300 students ages 3-6 who are enrolled in Preschool, Pre-Kindergarten and Kindergarten. We provide a half day program for Preschool and Pre-Kindergarten students and full day Kindergarten. Our school will be expanding to a full day 4 year old Pre-Kindergarten next school year.

Describe the community you serve and the neighborhood and/or children who will use the play equipment or Play Everywhere installation. Why is it important for your community and the children you serve to have a new play area or equipment?

We want to know what makes your community unique and why you need this grant! Feel free to overshare.

We currently have a playground that is suitable for our Kindergarten students. It is appropriate for students ages 5-12. We do not have any playground equipment for half of student body, the Preschool and Pre-Kindergarten students. These students get no playground time. Our district is moving towards full day Pre-Kindergarten and is interested in implementing more playground time and purposeful play. We need something safe for these children to climb on and work on their gross motor skills. Many of these kids come from poverty, broken homes, and have suffered trauma in their young lives. We want them to have a place where they can play, make friends, and have fun every single day. One of the reasons why we are applying for the grant is our district is losing 1.8 million dollars in state funding this year.

Is there an event motivating your community to apply for this opportunity?

Example: A natural disaster, or other event that impacted the quality of life for members of your community.

No

Play brings friends and families together, teaching kids how to interact as part of a group, resolving conflicts, and strengthening bonds.

Site Information

This is the address where the play equipment or Play Everywhere project will be located. You must list a full address. Providing a cross street or a blank address instead of a street number will delay consideration of your application.

Street Address	301 Georgetown Rd
City	Glassboro
Zip Code	08028
State	NJ
County	Gloucester

How many children will use the proposed play equipment?

Please do not multiply the number of children you serve per day by seven or 365 to calculate the number served per week and per year.

Per Day

- How many children do you serve on an average day?
- Example: King Elementary has 400 students. Per Day total is 400.

Per Week

- How many individual children do you serve in an average week? Every child who visits the site should only be counted one time, even if they visit the site multiple days of the week.
- Example: King Elementary has 400 students. Once a week they host a soccer program attended by 100 kids who are not enrolled at the school. Per week total is 500.

Per Year

- On average, how many children do you serve a year? Take the number of children served per week and add the number of additional children you serve through annual events or turnover.
- Example: King Elementary Per Week total is 500. Every year they host a fall festival attended by 100 kids who are not enrolled in the school. Per Year total is 600.

Per Day	304
Per Week	304
Per Year	304

Describe how you calculated the number of children served in the question above.

Please note the programs, events, and circumstances behind the number of children that you have shared.

We have 304 students in our school and they would be getting recess once a day. This includes our after school program.

What age range(s) does your organization serve at this site? (Check all that apply)

Which categories describe the children you serve at this site.

Percentage to total 100

Asian Not Hispanic or Latinx	2
Caucasian/ White Not Hispanic or Latinx	43
African American/ Black Not Hispanic or Latinx	29
American Indian or Alaska Native Not Hispanic or Latinx	0
Hispanic or Latinx	17
Other	9
Total	100.0

What percentage of children served qualify for Federal Free or Reduced Price Lunch (FRPL)?

42

What is the Median Household Income of the population you serve at this site?

If your organization collects information on the median household income of the individuals you serve, please include. If median household income information is unavailable through your organization’s data, please use [this link](#) to define the income based on the zip code nearest to the proposed site.

66,875

Is there anything else you feel like we need to know about the ethnicity or socio-economic status of the population you serve?

A lot of the students we get in Glassboro come from all over and have suffered significant trauma in their young lives. Our district is working to become trauma certified so we can best meet the needs of these young children. It would be so wonderful to bring them to a place where they can act like kids and have fun. We have tried through fundraising for years to get a small playground. Although our PTO has some money saved, it's just not enough. Our current playground is not appropriate for most of the students we serve. It's very intimidating for kids and there have been students who have gotten hurt, even broken bones, while playing on it. This grant would mean the world to our students.

This is the end of Part I. Please make any final edits before submitting. After you submit, select Part II on the application page to continue your application.

Keep up the great work!
