Mark-
Attached is the sign that your contractor Bill Gross is proposing for the High School.
He is utilizing the sign vendor (Astro) who already has your colors and logo.
It is double-sided and will be placed where the existing sign is located.
Bill has already received the PO for this.

The second attachment is the district's spec for the sign that I believe Monique was expecting.
As you can see it is much larger. Bill Gross priced up that sign and it came in around \$120,000.
That far exceeded your budget for this.

Please let me know if you want me to share the proposed sign with Monique.

In any event we need an approval to give to Bill Gross so that he may move forward.

Thanks.
