Board Action Requested: Recommend approval to contract with W.B. Gross, Inc. to furnish and install a replacement sign for Glassboro High School in the amount of \$47,140 procured through the Educational Services Commission of New Jersey Co-op.

Details and Ramifications: Specifications designed by the High School Principal were used by the architect and contractor to develop the attached proposal. (attachment)

Positives: \$50,000 was requested and approved in the 2019-20 emergency aid. The remaining \$2,853 will be used to offset the architect fees for the project, 60% of the cost.

Concerns: None.

Other Comments: Once approved the design will be submitted to the Zoning Board of the Borough of Glassboro for approval. It was originally thought that two signs could be procured with the \$50,000 allocation. The Glassboro Intermediate Sign replacement will be included in future budget discussions.
