Recommend Board approval to host a First Lego League Competition sponsored by Rowan at GIS on 1/20/18 from 7am to 4pm. Glassboro, along with Salem, Stratford and Vineland, will host approximately 12 teams, consisting of students, parents and coaches. Attendance is expected to be around 200 people. We will need custodial coverage. The STEM Academy will collect registration fees of \$85/ team x 12 teams = \$1,020. Rowan will provide a Certificate of Insurance for the event.

Positives: It generates income for the STEM Academy. It gives Glassboro recognition in the Lego Community. It continues to foster our partnership with Rowan and hopefully, we can make this an annual event.

Concerns: None at this time

Other Comments: This is a win-win situation for us ☺
