Board Action Requested: I am seeking board approval to allow (2) in class support sections and (1) regular education social studies class at GHS to be covered by GHS teachers and for the teachers to be compensated for the loss of their prep period as per the GEA contract so that they can teach a 4th block class during semesters noted below.

Details and ramifications:

Semester 1: Karmin Humes

Semester 2: Tara Zaccardi and Dustin Dapp

Positives:

This will allow us to comply with student IEP's.

Six teachers were needed last school year so three is a reduction.

Concerns:

As per the GEA contract, teachers were asked in advance if they would be willing to have a loss of prep for either one or both semesters. Teachers were utilized as needed within the confines of the already created master schedule.

Other Comments:

GHS is in dire need of a social studies teacher, as we only 3.5 teachers for 550 students and there are (3) years' worth of required courses for graduation in the field of social studies. Turning the part time position into a full-time position was a priority in this budget cycle, however, it was deemed cost prohibitive. It should remain a top priority in the 2020-2021 budget cycle.
