Request Board approval for the following:

Tim Hagerty will be out on leave from March through the remainder of the school year. Although a long-term sub will replace him, he teaches one block of Geometry, a HS level course. This course must be taught by someone certified to teach HS math.

Mr. Jamie Cleary, a current GHS teacher, will teach this block each day, during his prep and lunch time at GHS. He will be compensated 81 minutes a day, as per the GEA contract.

Name	Hours Per Week	Rate	Duration	Total Amount
Jamie Clearly	6.75	\$37.00/Hr totaling \$49/Day	12 Weeks	\$3969.00
