
GLASSBORO PUBLIC SCHOOLS
DISTRICT PROJECT UPDATE
JULY 2021

District Wide Projects

High School

- High School Press Box, the only thing left is to try to finish and repair the outside siding.
- Donated benches for the tennis courts have arrived, will work with the township on how we can install without ruining the new courts.
- Gross Construction has repaired most of the cracks one more needs to be done which was missed.
- Craig Urie from Urie associates was out and is drawing up some ideas for the Culinary Arts classroom.
- We lost the freezer at the high school at some point in one of the storms, the fuse blew for the heater to the pan for defrost and it froze up and temps went about freezing causing the spoilage. Working with insurance to cover costs.

GIS

- Intermediate chiller up and running all units working.
- Environmental testing in elevator shaft is being done on the 17th and 18th of August

Bowe

Bullock

- Both Hot Water heaters are leaking and failed our insurance inspections. Looking into grants to help us replace with more energy efficient heaters.

Rodgers

Beach Admin.

DISTRICT WIDE

- rSchooltoday electronic work orders up and running, since we started 303 work orders have been generated and approximately 28 still outstanding.
- Wayman Fire Protection has taken over for the fire and burglar monitoring and testing.
- All district fire extinguishers have been inspected and any repairs done, including the ones on the buses.
