
GLASSBORO PUBLIC SCHOOLS
DISTRICT PROJECT UPDATE
FEBRUARY 2022

District Wide Projects

High School

- Old lighting from TV Tech room has been removed, will be sold on GovDeals then scrapped if no one purchases them.

GIS

- Pipe leak about plaster ceiling room 207. Hot water line insulated with asbestos. EDI called to handle air samples and removal. Pipe repaired after all clear from asbestos removal. Room will be put back together after we are sure all is dry.
- Water leak from 3rd floor bathroom, flooding that room and working its way down to third floor. Cleaned up as soon as we were notified and discovered open hot water valve. Maintenance forgot about this pipe when hot water was shut off for original leak. All cleaned up and everything fixed.

Bowe

- 2 Mammoth RTUs to be replaced by Core Mechanical at a price of \$457,380.00.
- Seasons 4 and Core Mechanical have been to Bowe to take down measurements for new units.
- A separate inspection report regarding the Mammoth RTUs was conducted by CM3 as soon as I receive the report it will be given to Lisa Ridgway to give to the committee.

Bullock

- Dormann Plumbing has received the two Pos for the replacement hot water heaters under and emergency issue.

Rodgers

- Several units in the building were repaired with new valves, one cafeteria unit needs new coil, have a company coming out to give us a cost on making new coil.

DISTRICT WIDE

- rSchooltoday electronic work orders, 784 work orders have been generated and approximately 42 still outstanding, most outstanding are from school heating issues and things needing put together and smaller repairs, work orders coming in daily.
- UPDATE: Buses have been removed except for 1 it will be removed soon.
- Two storage containers will be delivered to OPS on February 15th this will store all documents from white annex and any other misc. items. We will start moving the documents once the container is on site and weather permits.
- Several meetings held regarding the closure of GIS and the construction as well as moves to be made for Bullock and Bowe Schools. Items in district that need to be trashed and stored will happen asap to help ease the emptying of GIS after school lets out.
