Bowe

- Sewer pumps acting up in Bowe, receiving quotes on replacing pumps and board. Lowest bid \$14,045.00 with new control panel.
- KLT gym curtain is hung and waiting on price for electrical work. Dec Electric has quoted us a price and PO issued. Electric work will be done on Teacher's Inservice day Oct. 7th
- Construction started on Bowe science rooms, asbestos removed, plumbing, electrical, HVAC, drywall all continues to move along.
- Building was ready for the first day of school, thanks to the help of a lot of custodians, maintenance, and grounds crews around the district.
- Cafeteria rooftop tripped was able to reset on 9/7
- FIRE ALARM ISSUES PANEL NOT WORKING IN DISABLED MODE. Panel now up and running, still need to find where line was broken.

Bullock

- Pricing on new through the wall units for room C15 to replace two old units. NorthEast Mechanical awarded quote, unfortunately the units are 16-18 weeks out as of now.
- Parking lot and entrance stripped.
- Gym curtain being shipped soon, working on date to install possibly 10/7 teachers in service day.
- Issue in room A-20 with some mold on bookcase, HVAC unit leaking causing puddle and flake board absorbed the water and mold was found. Room cleaned and bookcase removed.

Dehumidifier placed to remove moisture and Medify HEPA unit to clean air of any possible mold spores in air. We have several units the HVAC unit's condensate pans are old cracked and leaking working with contractor to see how to fix. Bullock HVAC issues to be on Bond Referendum.

- We have at least two units the drain pans are leaking. They must be completely torn apart to repair/replace the pans. D-7 and A-20
- Building was ready for the first day of school.

Rodgers

- Building ready for first day of school
