Due to high demand, NJSBA is hosting a second Leadership Conference for Board of Education presidents and vice presidents\*. If you were not able to register for the first conference, this is your chance to attend!

The rewards of school board leadership often come with unexpected challenges, whether you are a first-time board president or vice president, or a veteran.

School board leaders must be prepared to meet the challenges that arise from both their local district and from external issues, including state education regulations and policies. Join us for a one-day conference designed to equip you with the skills and information necessary to become an effective leader on your board.

### Topics Include:

- The Board President/Superintendent Relationship - Dr. Lawrence S. Feinsod, NJSBA's executive director and a former superintendent and board member, will offer insight on the fundamentals of building a strong relationship with your superintendent.
- Effective Meetings - Learn how to manage and run productive school board meetings.
