Dear Mr. Engle,

Our office understands the Borough of Glassboro will be reconstructing Joseph L. Bowe Boulevard as part of the NJDOT FY 2023 Municipal Aid. New Jersey Educational Services (Glassboro Board of Education) owns Block 386, Lots 2 & 2.01. We understand the Borough will be reconstructing sidewalk, re-paving the existing roadway entrance and re-stripping existing roadway. We are acceptable to the Borough reconstructing sidewalk, re-paving the existing roadway entrance, replacing the existing handicap ramps with delineators, re-stripping existing roadway entrance restoring the areas beyond the curb with topsoil, seed and mulch.

We further understand that work will extend onto Block 386, Lots 2 & 2.01 to complete those tasks. We grant permission for the Borough to complete same. It is our understanding the work associated with Joseph L. Bowe Boulevard Roadway Improvements will be completed during off school months (summer).

If you have any questions regarding the above matter, please feel free to contact our office at (856) 652-2700.

Regards,

Michael Sloan
