## Agreement to Provide Chapter 226 Nonpublic Nursing Services

2014-2015 School Year

This agreement made this 4th day of September, 2014, by and between the Board of Education of the Gloucester County Special Services School District (hereinafter referred to as GCSSSD), and the Board of Education of the GLASSBORO Public School District, (hereinafter referred to as the District).

WHEREAS, the Legislature of the State of New Jersey has found and determined that the welfare of the State requires that all school-age children be assured equal access to appropriate health care services; and,

WHEREAS, P.L. 1991, Chapter 226 provides that each Board of Education of a district in which a nonpublic school is located shall provide certain nursing services and may provide additional medical services to those students who are enrolled full time in the nonpublic school;

NOW, THEREFORE, in consideration of the terms and conditions hereinafter set forth, the parties hereto agree as follows:

1. Nursing Services to Nonpublic Schools

GCSSSD shall provide the following nursing services for pupils within the District who are enrolled full time in the nonpublic school, subject to the limitations set forth in Sections 3, 4 and 5 below:

- Assistance with medical examinations, including dental screening;
- Conducting screening of hearing examinations;
- The maintenance of student health records and notification of local or county health officials of any student who has not been properly immunized;
- Conducting examinations of pupils between the ages of 10 and 18 for the condition known as Scoliosis; and
- Conducting vision screenings.

2. Additional Medical Services

To the extent the funding for nursing services set forth in paragraph 6 below is available, GCSSSD may provide equipment and materials authorized under P.L. 1991, Chapter 226.

3. Instructional Services Not Included

GCSSSD shall not provide instructional services to nonpublic schools in connection with the provision of services referred to above

4. Nonpublic School Declining Nursing Services

A nonpublic school may decline the nursing services which are provided for herein by submitting written notification to the District from the appropriate administrator of the nonpublic school. The District will inform GCSSSD in writing that it is relieved of responsibility hereunder for providing such services.

5. Parent or Guardian Objection

A pupil who is enrolled in a nonpublic school and whose parent or guardian objects to the pupil receiving any services provided hereunder shall not be compelled to receive the services except for a physical or medical examination to determine whether the pupil is ill or infected with a communicable disease pursuant to N.J.S.A. 18A:40-30. In the event that a parent or guardian objects to the pupil receiving any nursing services provided for herein, GCSSSD is relieved of responsibility hereunder for providing such services.

6. The District agrees to pay GCSSSD a sum equal to the full funding allocated by the State Department of Education for nursing services to nonpublic schools within its district pursuant to the provisions of Chapter 226, Laws of 1991. Billing will be based upon the nonpublic school enrollment on the last school day prior to October 16 of the preceding school year. Districts shall pay GCSSSD in full based on the District's schedule of funding from the State Department of Education.

7. Notice of termination of services for the 2015-2016 school year must be provided in writing by either party by March 15, 2015. In the absence of such notice by either party, this contract commits the District to receiving and paying for Chapter 226 Nursing Services from GCSSSD for the 2015-2016 school year.

Intending to be legally bound, the authorized representatives of GCSSSD and the District have executed this agreement on the dates indicated below based on duly adopted resolutions authorizing this agreement.
