

# Glassboro School District

## November 2014 Monthly Update

### District

#### ➤ Additional Resources

- Ilene Ivy – Ilene is Nutri Serves Corporate Chef. She has a Culinary Degree from Johnson and Wales and has been a Food Service Director with Karen for 27 years. Ilene will be working with the Cooks at each school showing them new techniques and offering her years of experience in displaying and serving the meals. Ilene has been working at The High School and Bullock School for the past 4 weeks and the Team has gained tremendous knowledge. The overall quality of the products served has improved greatly with the extra attention and training.
- Peggy Clark – Peggy is Nutri Serves Corporate Bookkeeper. Peggy is working with Lori Gregg who will be the new Bookkeeper. Peggy brings years of experience and knowledge with LAMS and Lunch Time along with the patience to teach and explain. Once Peggy feels that Lori is comfortable and knowledgeable in her new role she will only stop in periodically to check on her progress.

#### ➤ Snack Window at the High School

- After examining how much money was brought in on both snack lines and the cost of the two cashiers we closed one window after talking with Dr. Sneathen.
- The POS Terminal from the closed Snack Window was put on a Kiosk filled with snack and drinks for the students who choose to eat lunch in the gym.

#### ➤ Employees

- We have hired 4 new employees who were fingerprinted and had a background check. Their background checks cleared and they have started working.

#### ➤ Financial Report

- November showed a profit of \$2,348.00 for the District.
- Meal counts for the District are up from last year for both Breakfast and Lunch
