

Glassboro School District

August 2014 Monthly Update

Meetings

There were many meetings over the month of August pertaining to unit lunch at the High School. Meetings were with Nutri-Serve staff including Karen Fynan, Bonnie Horner, Ruth Arnold, Kristin Muller, Cathy Connolly and Beth Clark. There were also meetings involving Walt Pudelko and Danielle Sneathen from the Glassboro School District. The meetings were to coordinate setting up the lunch line and preparing the library to be able to accommodate student's needs along with what is required by state regulations.

Beth Clark attended Rodgers School orientation on August 28th. She was available to answer any questions parents had about the lunch program. Most questions asked were about how to order and how to prepay for meals.

Beth Clark attended 3 days of meetings for Nutri-Serve Food Management. These 3 days go over many topics relating to food service. Topics range from any new state or federal guidelines to management skills and hiring practices.

Beth Clark had her staff meeting on August 25th. She went over the new regulations with the Nutri-Serve staff. New employees were introduced. The first cooks meeting were set for September 10th 2014.

Personnel

There will be new staff in Bullock, Intermediate and the High School. There will also be a few staff changes from one school to another. The new staff was well received at the staff meeting and the employees that are going to different schools are all excited about the new changes. The High School staff is excited to see the new unit lunch.

District

There are focus groups scheduled for each school. The Bowe School will be on September 16th 2014. Both the High School and Intermediate will be with the Student Government once they meet at the beginning of the year. This will be early October. Rodgers School is being scheduled for the week of September 22nd 2014. September's narrative will have details from each schools group meeting.
