

December 2024-25 Monthly Update

The month of December ushered in the Holiday season as well as the winter chill. The month was filled with many events, Hot Cocoa sales at Bowe served by the student council and Bowe Renaissance dishing out ice cream and warm pretzels to the students. My staff and I catered numerous gatherings, the annual Senior Dinner at Bullock with the Glassboro PD, Board Office Holiday luncheon and finally, the HS Holiday Homecoming breakfast. We look forward to 2025 Happy New Year.
