

September 2024-25 Monthly Update

My name is Tim Smith and I am excited to be part of the Glassboro School District as your Food Service Director. September was a busy month for us with many new menu items the student have enjoyed along with providing refreshments for the different groups within the district. We look forward working with all the Glassboro Public School Families for all your food service needs.

Monthly Updates

Amazing things ARE HAPPENING

- Back to School Carnival Celebration**

The hottest ticket in town!

- Nutritious Friends** Introduces a new fruit, vegetable, or healthy food each month through lively characters, taste-testing events, educational handouts, and giveaways.

- Introducing Allergy 411 and ABCs of Allergies**

With the start of the school year, let's continue to keep in mind how seriously we should take food allergies and our guests' safety.

- Street Eats** A fun, easy-to-execute, pop-up-inspired promotion. September features **Wacky Waffles!**
