Name: Future Healthcare Professionals Program	Position/Item: Online Career Program	Submitted By: Dr. Danielle F. Sneathen	Building: High School
Proposed cost/amount: Free	Funded through: Inspira Health Network	Hours/Days per week: Students work at home for this 8 week program	Benefits: Y or N (circle one)
Is candidate currently employed by District: ___ No ___ Yes (if yes, what position) ___SPED Teacher_		Is candidate a former employee: ___ No ___ Yes	
If yes, part time or full time (circle one)		Check references/review district personnel file? ___ No ___ Yes	

Board Action Requested: I am seeking board approval to allow current 10th, 11th, and 12th graders from Glassboro High School to register for an online career exploration course. The course lasts 8 weeks and it is tailored to the Healthcare professions. Students complete online assignments which are due every Sunday by Midnight and must also complete 8 hours of community service by the end of the program in order to receive their completion certificate.

Details and ramifications: Interested students must pay a \$10 fee to have access to the Cumberland County College Blackboard website. CCC is partnered with the Inspira Health Network for this program.

Positives: This program targets academic enrichment, personal development and wellness, career development, cultural development, and community involvement for our students. This would be a great addition to the resumes of our GHS students as they pursue life after high school, even if they decide not to pursue a healthcare profession. This course is free to GHS and costs each student only \$10 to register for.
