~~2363~~ STUDENT USE OF PRIVATELY-OWNED TECHNOLOGY

~~The Board of Education recognizes technology is always changing and as a result of increased accessibility to technology many students possess technology devices for their use during non-school hours. These privately-owned devices may be beneficial to students during school hours for approved educational purposes. Therefore, the Board of Education will allow students to use their privately-owned technology devices under conditions outlined in this Policy.~~

~~For the purpose of this Policy, "technology" means hardware or software.~~

~~For the purpose of this Policy, "privately-owned" means technology hardware and software that is purchased, owned, and maintained by the student at no expense to the school or school district.~~

~~For the purpose of this Policy, "hardware" means any device that can store, access, retrieve, and/or communicate data or information. "Hardware" may include, but is not limited to, any type of computer device; wireless telephone; electronic reader; personal digital assistant (PDAs); video broadcasting and/or recording device; or camera.~~

~~For the purpose of this Policy, "software" means any computer program(s) or related data that provide instruction for telling a computer or other hardware device what to do and how to do it.~~

~~The use of privately-owned technology by a student in the educational program during the school day must be approved by the student's parent or legal guardian and the school teaching staff member responsible for supervising and/or providing the student's instructional program. A teaching staff member may approve a student's use of privately-owned technology based on the assignment(s) to the student. The teaching staff member may also prohibit the use of privately-owned technology for an assignment(s).~~

~~[Optional~~

~~____ Teaching staff members shall notify their immediate supervisor or Principal that students will be using privately-owned technology during instructional time.~~
