PL 2015 – Chapter 47 – Board Motion

Pursuant to PL 2015, Chapter 47, the Glassboro Board of Education intends to renew, award or permit to expire the following contracts previously awarded by the Board of Education. These contracts are, and have been, in full compliance with all state and federal statutes and regulations; in particular New Jersey Title 18A: 18. et. seq, NJAC Chapter 23, and Federal Uniform Administrative Requirements 2CFR, Part 200. Compliance with new contracts, not listed here, will be addressed prior to Board action. The attached is a list of all contracts that the Board has awarded and memorialized in their board minutes during the past 12 months and are expected to either expire, renew, or be replaced as the Board takes action over the subsequent 12 months.

Purpose

The purpose of the new legislation is to provide the Board of Education with a contract list annually, beginning July 1 and ending June 30. The first mandated report is due to the Board by June 30, 2015. Therefore, the attached list is comprised of all Board awarded contracts from July 1, 2014 through June 30, 2015. The future for each contract will be completely contingent on future events. There is no assurance that a contract will either be renewed or expired, or replaced by a new award during the 2015-2016 school year. Dollar amounts can be added if the additional information is deemed useful. However, the dollar amounts can also be found in previous Board minutes.
