To the Pascale Sykes Foundation,

Once again, as Superintendent of Glassboro Public School District, I am committed to supporting the Glassboro Education Foundation in its application to obtain the Pascale Sykes Strengthening South Jersey Grant in relation to the Child Connection Center program.

Glassboro Public School District is dedicated to committing the effort to implement the Child Connection Center program for our students and families in cooperation with the other participating agencies in this collaboration. As such, I am prepared to support the administration and staff at our Intermediate School to ease the facilitation of this project and understand that our primary role in this partnership is to provide the following:

1. Space for services to be implemented and facilitate the referral process among students, staff, administration and families
2. Promotion of program services among students, staff, administration and families
3. Tracking of data generated from CCC at Glassboro in a manner consistent with fellow partner agencies
4. Reporting of outcomes from Glassboro in a manner consistent with fellow partnering agencies
5. Active participation in the Child Connection Center Steering Committee

Glassboro Public School District will enable students to have the opportunity to benefit from services offered through the Child Connection Center in-school and during school hours as well as during non-school hours (family events, in-home support, etc.)

I recognize that this effort will benefit the students and families in three schools within our region and am proud that Glassboro is partnering in this proposal. Thank you for considering this project as part of Pascale Sykes Strengthening South Jersey Initiative.

Sincerely,

A handwritten signature in purple ink, appearing to read "MJS", followed by a horizontal line.

Dr. Mark J. Silverstein  
Superintendent
