

2422 COMPREHENSIVE HEALTH AND PHYSICAL EDUCATION

The Board of Education requires all students to participate in a comprehensive, sequential, health and physical education program aligned with the New Jersey Student Learning Standards (NJSLS) that emphasizes the natural interdisciplinary connection between wellness and health and physical education. The primary focus of the NJSLS is the development of knowledge and skills that influence healthy behaviors within the context of self, family, school, and the local and global community.

The curriculum requirements listed below address the need for students to gain knowledge and skill in caring for themselves, interacting effectively with others, and analyzing the impact of choices and consequences. The primary focus of the curriculum listed below is to help students develop concepts and skills that promote and influence healthy behaviors.

The NJSLS incorporate New Jersey statutes related to health and well-being of students in New Jersey schools. The following statutes incorporated into the NJSLS include, but are not limited to, the following requirements:

1. Accident and Fire Prevention (N.J.S.A. 18A:6-2) requires regular courses of instruction in accident and fire prevention.
2. Breast Self-Examination (N.J.S.A. 18A:35-5.4) requires offering instruction on breast self-examination for students in grades seven through twelve.
3. Bullying Prevention Programs (N.J.S.A. 18A:37-17) requires the establishment of bullying prevention programs.
4. Cancer Awareness (N.J.S.A. 18A:40-33) requires the development of a school program on cancer awareness by the Commissioner of Education.

The Board of Education must provide two and one-half hours of health, safety, and physical education courses in each school week, or proportionately less when holidays fall within the week. Recess period(s) shall not be used to meet the requirements of N.J.S.A. 18A:35-5, 7, and 8.

In accordance with N.J.S.A. 18A:35-4.31, the Board of Education shall provide a daily recess period of at least twenty minutes for students in grades Kindergarten through five. A recess period is not required on a school day in which the day is substantially shortened due to a delayed opening or early dismissal. The recess period shall be outdoors, if feasible. A student shall not be denied recess for any reason, except as a consequence of a violation of the school district's Code of Student Conduct, including a harassment, intimidation, or bullying (HIB) investigation pursuant to N.J.S.A. 18A:37-13 et seq. Students may not be denied recess more than twice per week for a violation of the Code of Student Conduct or HIB investigation and these students shall be provided restorative justice activities during the recess period.

Restorative justice activities are defined as activities designed to improve the socioemotional and behavioral responses of students through the use of more appropriate and less punitive interventions thereby establishing a more supportive and inclusive school culture. The student's recess period should be scheduled in a manner that does not interfere with the implementation of a student's Individualized Education Program (IEP). School staff may deny recess for a student on the advice of a medical professional, school nurse, or the provisions of a student's IEP and/or 504 Plan.

A copy of the NJSLS for Comprehensive Health and Physical Education and all related curriculum/course guides and instructional material shall be available for public inspection in each school.
