Equal Educational Opportunity

Affirmative action shall be taken to ensure that students are protected from the effects of discrimination, in accordance with Policy 2260. Students who experience less than equal educational opportunities or experience discrimination shall use the procedure established by Regulation 5750 to report and appeal any harassment or discriminatory practice.

The conduct of teaching staff members shall exemplify the highest principles of equality and democracy. Conduct and attitudes that display discrimination are contrary to the policies of this Board and, further, are destructive to the self esteem that this Board wishes to encourage in all students. A teaching staff member's act of derision or enmity, in any form, against a person or persons on the basis of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation, **gender, gender identity or expression, socioeconomic** status, or disability shall be considered to be conduct unbecoming to a professional staff member of this district and shall be subject to appropriate discipline.

The Superintendent shall develop and promulgate a procedure by which a student or parent may appeal Board policy, district practice, or the act or omission of any district employee that allegedly violates this policy.
