R 8690 MONITORING DEVICES ON SCHOOL VEHICLES

Recording and Notice

1. In order to maintain a safe and secure environment for all pupils transported on school vehicles the: Transportation Supervisor, Superintendent of Schools, and School Business Administrator may cause recording devices to be installed in any district owned or contracted vehicles and activated at specific times.
2. Pupils and drivers will not be notified when a recording device is “on board” and in use on district vehicles.
4. Each school vehicle shall have a sign, prominently displayed stating that: “Video monitoring devices are used on school district owned and contracted vehicles and this vehicle may be monitored at any time.”
5. Recordings may be used to monitor and observe the behavior of pupils, teaching and support staff members and the vehicle operator.

Pupil Records and Notice

1. **The content produced by the video surveillance system, under certain circumstances, may be considered a student record, in which case it will be subject to applicable laws as well as the Board of Education policy/regulations regarding confidential student records.** School district personnel will comply with provisions of law regarding pupil records requirements including the Family Education and Privacy Act and the Individual with Disabilities Education Act as applicable in the district’s use of video recordings. Video recordings considered for retention as a part of the pupil’s behavioral record will be maintained in accordance with established pupil record procedures governing access, review and release of pupil records. **Use of the video by school district personnel will be permissible as evidence in disciplinary hearings and the district declares such use to be a legitimate educational interest.**
2. The school district personnel will include annual notice in parent/pupil handbooks that monitoring devices may be used on school transportation vehicles transporting pupils to and from curricular and co-curricular activities.
