Re: Resolution submitted for the May 17, 2014 Delegate Assembly

Dear Mr. Pudelko:

I am writing to update the Glassbor Board of Education on action taken on your board's resolution at the Semiannual Delegate Assembly on May 17, 2014.

The Resolutions Subcommittee recommended approval of a resolution adding the following **additional** policy language to NJSBA's *Manual of Positions and Policies* on Education as follows:

The NJSBA believes that New Jersey's school finance system should provide full funding for state-initiated programs designed to promote innovation and that the level of participation in such programs should be determined by the local school district.

If you have any questions about the delegates' action or follow-up activities, please contact me at 1-888-88NJSBA or 609-278-5250.

Sincerely,

Cynthia J. Jahn, Esq.
General Counsel
