FYI. Our students thoroughly enjoyed it! In fact, they asked if they could go back next summer. What a wonderful testament to their program!!! Please share at the BOE meeting.

Thanks ☺

Subject: Thank you from Rowan University STEAM Academy!

Dear Mrs. Keating,

On behalf of the students, faculty, and staff of the Rowan University STEAM Academy, I would like to take this opportunity to extend our gratitude for your support of our program. We are pleased to share that we had a total of 103 participants in our 2019 program; 67 residential students and 36-day students, from July 7 until 26, 2019.

The students enjoyed their time with us this summer. Some of the highlights during the program included field trips to STEAM-related venues, attending college classes and workshops, and having the chance to experience day-to-day life on a college campus. Many of the students are already anticipating returning for the STEAM Academy in 2020!

We know we could not be a successful program without the support of individuals who are advocates of and champions for students and their educational achievements. Your contribution and sponsorship was appreciated by all. We look forward to working with you again in the future.

Sincerely

Melissa Speck, MA
